Gearing Up For The New Year

AROHE

The University of Utah Professors Emeriti Club has joined AROHE, The Association of Retirement Organizations in Higher Education. You might check them out at <https://www.arohe.org/> Of particular interest might be their Travel Institute which has reserved slots on a Road Scholar river cruise on the Douro in Portugal for May 2022 (details at <https://www.arohe.org/travel-institute>).

Our members who may have moved away might also find listed an Emeriti Club nearby that might welcome them. Another interesting item is a survey of University of California Emeriti and their activities. They call themselves "The Eleventh Campus" (see <http://cucra.ucsd.edu/survey/2020/CUCRA-2020-Survey-Report.pdf>).
